# SOARING ASSOCIATION OF CANADA AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021

Independent Auditors' Report Statement of Financial Position Statement of Revenue and Expenses Statement of Changes in Net Assets Statement of Cash Flows Notes to Financial Statements

To the Members of: Soaring Association of Canada

#### Opinion

We have audited the financial statements of Soaring Association of Canada, which comprise the statement of financial position as at December 31, 2021, and the statement of operations, statement of changes in net assets and cash flows statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Soaring Association of Canada as at December 31, 2021, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Frouin Group Professional Corporation Chartered Professional Accountants 30 Colonnade Road, Unit 228, Ottawa, ON, K2E 7J6 Tel: 613-230-1022 Fax: 613-230-2954

#### Auditors' Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high-level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted audit standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### NOTES TO FINANCIAL STATEMENTS

# FOR THE YEAR ENDED DECEMBER 31, 2021

#### 1. PURPOSE OF THE ORGANIZATION

The Association was incorporated in 1945 as a non-profit amateur sports association with a mandate to promote, enhance and protect the sport of soaring in Canada. As a not-for-profit organization and a Registered Canadian Amateur Athletic Association (RCAAA), the Association is not subject to taxes under the Income Tax Act.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian accounting standards for notfor-profit organizations and include the following significant accounting policies:

#### a) Revenue recognition

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Membership fees and investment income are recognized as revenue in the year to which they relate to. Sales and services are recorded when the goods are delivered or services rendered.

#### b) Investments

Investments consist of held investment cash, a high-interest savings account and a diverse portfolio of common and preferred shares and corporate and government bonds. These are held with the intention of long-term growth. The amounts invested in the cash and high-interest savings account are classified as short-term due to their liquid nature. The Association measures investments at fair value at each reporting date. Unrealized and realized gains and losses are included in income.

In 2021 the Association invested in a one-year renewable GIC for \$5,000 as security for a credit card.

#### c) Estimates and assumptions

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

#### d) Inventory

Inventory consists of various aviation-related products which are sold to Association members. The products include aviation training manuals, log books and Association pins. Inventory is replenished from time to time, but not necessarily on an annual basis. It is recorded at the lower of cost and net realizable value.

#### e) Capital assets

In accordance with Section 4433 Tangible Capital Assets held by Not-for-Profit Organizations in Part III of the CPA Canada Handbook, since average revenues are below \$500,000, capital assets are recorded as expenses in the year they are acquired. During the year, the Association expensed \$3,067 of capital purchases (2020: \$0).

# NOTES TO FINANCIAL STATEMENTS

# FOR THE YEAR ENDED DECEMBER 31, 2021

#### 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### f) Net assets restricted for Pioneer Fund

The Association has internally-restricted these assets to provide for the general purposes of the Association.

#### 3. FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying value of cash, short term investments, accounts receivable, accounts payable and accrued liabilities approximate their fair value because of the relatively short period to maturity of the instruments. Unless otherwise noted, It is management's opinion that the Association is not exposed to significant interest, currency or credit risks arising from these financial instruments.

#### 4. DEFERRED CONTRIBUTIONS

The Association has three different programs for which contributions are received: World Contest, Wolf Mix and Air Cadet & Youth Bursary.

The World Contest and Wolf Mix programs were established for the purpose of providing an independent continuous source of funds to assist Canadian teams to compete in world soaring championships sanctioned by the Federation Aeronautique Internationale (F.A.I). The Air Cadet and Youth Bursary program provides annual bursaries for cadets and younger members, redeemable by the Association's clubs.

Changes in deferred contribution balances are summarized as follows:

	eginning Balance	Ga	vestment iin/(Loss) llocation	onations iring the Year	ognized Revenue		Ending Balance
World Contest Air Cadet &	\$ 1,858	\$	266	\$ 0	\$ 0	\$	2,124
Youth Bursary	62,883		9,014	0	225		71,672
Wolf Mix	<u>138,176</u>	_	<u>19,808</u>	 0	0	_	157,984
	\$ 202,917	\$	29,088	\$ 0	\$ 225	\$	231,780

#### 5. COMMITMENTS AND RELATED PARTY

In the current year, the Association has agreed to a management service contract with an individual who is on the board of directors of a member club. The annual contract is for \$24,000. The transaction is measured at the exchange amount, which is the amount agreed upon by the two parties. Either party has the option to terminate the agreement.

### NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2021

#### 6. NON-REFUNDABLE HST/GST

The Association's estimate of the HST/GST rebates have been adjusted to match the rates as per the Canada Revenue Agency. A total adjustment has been made on the rebate receivable and adjusted to the income statement in the current year. This receivable is just an estimate and may be adjusted by the Canada Revenue Agency once the claims have been assessed.

#### 7. FINANCIAL RISK MANAGEMENT POLICY

Soaring Association of Canada is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at December 31, 2021:

#### a) Credit risk

Credit risk associated with their investments is minimized by investing these assets in high-interest savings accounts and widely-traded equities. An ongoing review is performed to evaluate changes in the status of investments under the Association's investment policy.

#### b) Currency risk

The Association's functional currency is the Canadian dollar. The Association does not enter into foreign currency transactions and does not use foreign exchange forward contracts.

#### c) Liquidity risk

The Association manages its liquidity risk by regularly monitoring forecasted and actual cash flow and financial liability maturities, and by holding assets that can be readily converted into cash. Accounts payable are normally paid within 30 days.

#### d) Interest rate risk

The Association is exposed to interest rate risk with regards to its cash and short-term and long-term investments. The Association has no interest-bearing liability. Fluctuations in market rates of interest on cash do not have a significant impact on the Association's results of operations. The high interest savings account has a low interest rate risk due to its short-term nature. Therefore, this risk does not have a significant impact.

#### 8. COVID-19 AND OPERATIONS

The declaration of the COVID-19 pandemic in March 2020 has had an impact on the Association's activities in the current and previous fiscal years. in 2020, membership rates were lowered to help the clubs weather the pandemic. As well, competitions were cancelled. The cancellation of some events has continued in to the current year.

The Association has been able to mitigate the effects of the pandemic by adjusting expenses to make up for the reduction in revenues from the lower membership fees and limiting expenditures where necessary. The Association has healthy reserves that were also used to help assist with the impact. Membership rates have been brought back to their regular amounts for 2021.

### NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2021

#### 9. PRIOR PERIOD ADJUSTMENT

During the year, it was noted that expenditures for Sporting committees were inadvertently doubled in the 2019 fiscal year and that an incorrect accrual was carried forward on the statement of financial position. The result of this adjustment was to reduce accruals for 2020 by \$1,037 and increase opening net assets by the same amount.

As well, costs associated with Free Flight magazine related to the previous fiscal year were not accrued for that year end. The result of this adjustment was to increase accruals in 2020 by \$6,237 and decrease net income and net assets by the same amount.
